## **SMU Surveys**

Steel 101 Workshop, Severstal Dearborn 2012

Our goal is to provide quality information to the flat rolled steel industry.

We invite over 600 companies to participate in our surveys.

Normal response rate is 110-170 individuals on any one survey.

All responses are kept confidential and are never attributed to the individual or company responding

#### Steel Summit 2014

'Steel Market Update is pleased to announce the return of our 'Steel Summit: Forecasting & Risk Analysis' Conference to Atlanta, GA on September 3-4 2014.

This years conference will focus on current risk in both the global and domestic steel industry as well as provide forecasting from a number of steel related industry sectors.

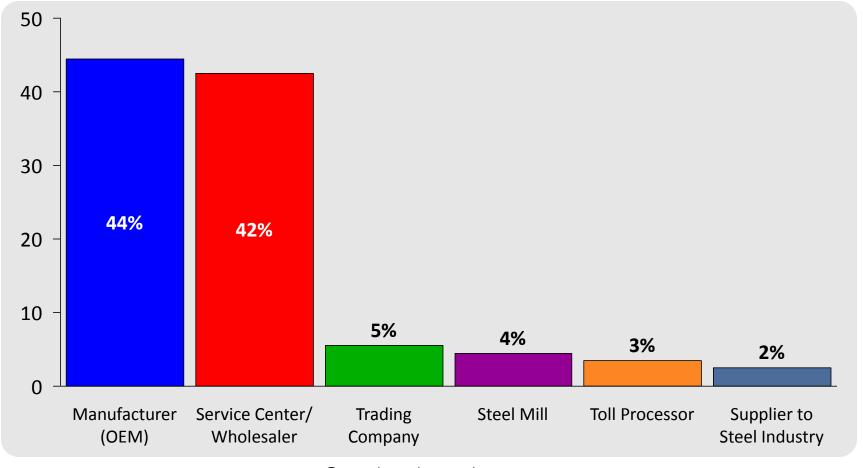

Mark your calendars and join a host of manufacturing and steel distribution professionals for a look into the future of the North American steel market.
