Dear Valued Customers:

Please be advised that effective immediately with all new orders, Oregon Steel Mills will be increasing transactional prices on all carbon, HSLA, hot rolled coils, normalized, and quenched & tempered products by a minimum of \$60/USD per ton. We reserve the right to re-quote any offers that have not been acknowledged.

We extend our thanks for your continued business and support. If you have any questions please feel free to contact your Oregon Steel Mills sales representative.

Sincerely,

Scott Hawkins
