A dark, slightly blurred photograph of a group of people at a professional event. In the center, a man with a beard and a suit is smiling broadly. To his right, another man wearing glasses and a lanyard is looking towards him. The background is filled with other attendees, some of whom are wearing lanyards with 'SMU' printed on them. The overall atmosphere is professional and social.

FERROUS SCRAP

market trends

Our goal is to provide quality information about the ferrous scrap market to the flat-rolled steel industry.

Our survey is by invitation only. We ask companies, mostly in the ferrous scrap processing, generating, and distribution industries, to participate.

All responses are kept confidential and are never attributed to the individual or company responding.
